edublogs Tutorials

Setting Up an Edublogs Account

Setting Up an Account

This is an 8 step process:

1. Go to www.edublogs.org
2. Click on the "Free" image
3. Fill in your information on the "Sign Up" page
4. Enter Blog Domain and Title
5. Print off your blog details
6. Your account is activated, click "Login"
7. Click "Go to the Advanced Admin Area"
8. You are now the proud owner of an Edublog
